Anything on the others?

Here's what I have:

Behavioral Health – **vendor questions and RFP Release 2 under CPO review; Vendor questions due back to the State Aug. 20, 2019**  
**CPO has reviewed TDOC's responses to vendor questions (and the RFP as revised in keeping with those responses) twice.**  
**TDOC returned the latest round of suggested revisions to CPO Feb. 6.**  
**Revised Liquidated Damages Request (to reflect revisions suggested by CPO) submitted to CPO Feb. 10**

**SCCF – Cost Proposal being opened today. (TDOC is RFP Coordinator.)**

**CS Programming - current RFP on target; CPO is the RFP coordinator, proposals due from respondents by 2:00pm CST on 2/13, evaluators will begin reviewing and scoring on Tuesday, 2/18**

**Inmate Telephones – Praeses to talk through latest Revenue Proposal revisions with CPO on Thursday. A number of drafts have gone back and forth between TDOC/Praeses and CPO. Hoping for late Feb. or early March RFP issue. (CPO is the RFP Coordinator.)**
